**Re: Petitions Filed**

Dear Ms. Tang:

As discussed this week by telephone and in follow-up to the faxed list of serial numbers for which Petitions have filed but have not yet been decided (a copy for reference is enclosed), please find enclosed copies of the Petitions corresponding to the serial numbers denoted in the previously faxed list.

There are a few matters from the list which I would particularly like to mention and bring to your attention:

1. Serial No.: 09/754,539 (on list). We received a Decision on the Petition. (Enclosed)
2. Serial No.: 09/748,441 (on list). We received a Decision on the Petition. (Enclosed)
3. Serial No.: 09/475,630 (on list). We filed a response to a Notice To File Missing Parts dated May 17, 2002. Because of the unusual circumstances of this application, we also said that if the application is abandoned then we request the holding of abandonment be withdrawn. (Enclosed)

- 
4. Serial No.: 09/742,533 (not on list). We filed the Petition to Revive on September 10, 2002, after the original list was faxed to you. (Enclosed)

I sincerely would like to thank you for help in expediting a fair resolution to these matters.

Sincerely,

Thomas M. Fisher
